

## Lesson 17: Silence Please!

☑ متن مکالمه :

A: Those people in front of us are making so much noise. It's so inconsiderate!

B: Don't worry about it; it's not such a big deal.

A: Oh. . . I can't hear a thing! Excuse me, can you keep it down?

C: Sure, sorry about that!

A: Someone's phone is ringing!

B: Honey, I think it's your phone. Did you forget to switch it off?

A: Oh, no! You're right. That's so embarrassing!

C: Do you mind keeping it down? I'm trying to watch a movie here!
