

Lesson 21: I Can See Clearly Now

متن مکالمه :

A: Hello, Arthur. What seems to be the problem?

B: Hey doc. Well, I think I might need glasses. I'm getting headaches, and I really struggle to see things that are far away. But I have always had 20/20 vision.

A: Sounds like you may be far-sighted. OK, then, cover your left eye and read the chart in front of you.

B: Mmm . . X, E, R, 3, a question mark, and I can't quite make out the other symbol but I think it's the peace sign.

A: Wow, Arthur! You're as blind as a bat!

B: Yeah, I know, my vision is really blurry at times.

A: Ok then, head on over to the other room and pick out some frames while I fill out your prescription.

B: Thanks doc!

A: Arthur, that's the bathroom.
